Step 2: 設定 Find Full Text 的相關欄位

- 設定 OpenURL Path : <http://resolver.ebscohost.com/openurl>
- 設定 Authenticate : <https://libproxy.ncyu.edu.tw/login?url=>

The screenshot shows the EndNote 20 interface with the 'EndNote Preferences' dialog box open. The 'Find Full Text' option is selected in the left-hand menu (indicated by a red box with the number 1). In the main panel, the 'OpenURL Path' field is filled with 'http://resolver.ebscohost.com/openurl' (indicated by a red box with the number 2). The 'Authenticate with' section has the 'URL:' field filled with 'https://libproxy.ncyu.edu.tw/login?url=' (indicated by a red box with the number 3). The 'Automatically invoke Find Full Text on newly-imported references' checkbox is unchecked. The background shows a list of references with columns for Year and Title.
